Ecoworx Carpet Tile

AVAILABLE AT THE DONGHIA MATERIALS LIBRARY

Shaw's EcoWorx carpet tile is a non-PVC backed carpet tile. Per manufacturer, all EcoWorx carpet tile with nylon are Cradle to Cradle Certified® Silver. The HPD relates to several EcoWorx products, including Truism, Adage and Belief Ecoworx tiles. They meet the Green Label Plus certification for low VOCS and contribute to LEED credits. EcoWorx contains 25% pre-consumer recycled content. Shaw guarantees free reclamation and recycling at the end of use.
