Hemp Oil

AVAILABLE AT THE DONGHIA MATERIALS LIBRARY

Hemp oil is a healthier finish and works particularly well on wood. The Real Milk Paint's Hemp Oil is free of additives, preservatives, solvents, and VOCs. It is thinner than tung oil, making it easier to apply without the addition of a solvent. However, hemp oil is less durable and waterproof than tung oil. Hemp oil is food safe and works especially well on lightly used items.

CATEGORY
Sealer / Surface, Oil_Hemp

MANUFACTURER
The Real Milk Paint

MATERIAL COMPOSITION*
Industrial Hemp Oil 100%
**as reported by the manufacturer*

AVAILABLE SIZING
Available in 1 oz, 8 oz, 16 oz, 32 oz, and 1 gallon bottles
